Career Objective

I am a motivated and detail-oriented professional with a solid foundation in front-end development. I possess strong skills in HTML, CSS, Tailwind, JavaScript, React, and Next.js, and I have hands-on experience creating engaging, responsive, and user-friendly web applications. I am passionate about utilizing my technical knowledge and problem-solving abilities within a collaborative environment. I am eager to secure a Frontend Developer position where I can contribute to innovative projects while enhancing my skills and providing value through creative solutions.

Technical Skills

- **Programming Languages:** JavaScript
- **Frontend Development:** HTML, CSS, Tailwind CSS, React.js, Next.js, Redux
- **Backend Development:** Firebase
- **DevOps & Development:** GitHub Actions, Vercel, Netlify
- **Tools:** Git, GitHub, VS Code, Figma, Chrome DevTools, WordPress, Microsoft Office
- **Graphics Design:** Adobe Photoshop, Adobe Illustrator, Canva
- **Digital Marketing:** SEO, SMM, SEM

Soft Skills

- Exceptional problem-solving and critical-thinking abilities
- Strong communication and collaboration skills
